John MeBrike, a young white tramp, who was arrested here nearly tlaree months ago on suspicion of being implicated in the robbery of the postoffice at Port Norfolk, was taken to Norfolk this morning by Deputy United States Marshal Bendit, where he will be tried in the United States District Court.

There are a few cases of typhold fever in the city, and some alarm has been aroused; but the extent of the trouble is very limited. The Council, at its last meeting, ordered that a careful analysis of the city water be promptly made.
